## PROFESSIONAL SUMMARY

---

Creative BSIT student and Multimedia Professional with practical experience in video editing and graphic design. Proven track record of delivering engaging short-form reels, graphic designs, and visual branding for events and businesses. Experienced in Adobe Premiere Pro and Adobe Photoshop, producing polished video content while maintaining the ability to adapt to new tools.

## TECHNICAL SKILLS

---

**Video Editing:** Adobe Premiere Pro, Short-Form Reel Editing, Sound Synchronization, Narrative Pacing

**Graphic Design:** Adobe Photoshop, Branding & Identity Design, Logo Design, Typography, Asset Layout

**Digital Marketing:** High-CTR Thumbnail Design, Social Media Content Creation, Digital Collateral Production, Audience Engagement Strategy

## PROFESSIONAL EXPERIENCE

---

**Video Editor & Graphic Designer Intern** | Howlers Events Corp, Makati City January 2026 – April 2026

- Produced and edited 17 short-form reels using Adobe Premiere Pro, generating 60,500+ views across all official Howlers Festival social media channels.
- Conceptualized and designed official event assets in Adobe Photoshop, including DP blasts, custom medals, and participant certificates for physical distribution and digital marketing.

**Freelance Video Editor** | Self-Employed, Remote 2020 – Present

- Produced and edited long-form, vlog-style video content using Adobe Premiere Pro, optimizing pacing and storytelling to drive YouTube channel growth.
- Developed and edited short-form video advertisements for a niche keyboard cleaning services brand, boosting brand visibility and expanding the local customer base.
- Edited and synchronized a choreographed multimedia video project with precise audio-to-video alignment and rhythmic pacing to elevate production quality.

**Freelance Graphic Designer** | Self-Employed, Remote 2020 – Present

- Designed and optimized multi-platform social media profile banners for Facebook, YouTube, and Twitch creators to establish unified brand identities.
- Designed promotional marketing assets for diverse local brands including salons, spas, and food services, ensuring alignment with each client's business goals.
- Created high-CTR thumbnails using Adobe Photoshop to maximize video visibility and digital engagement.

## PROJECTS

---

**Maimai Masters / Uprising Cup Tournament Logo** | Adobe Photoshop November 2025

- Designed the official branding and logo for a local arcade rhythm game tournament, integrating new design elements with existing visual assets to create a cohesive and recognizable brand identity.

**Personal Social Media Content Creation** | Adobe Premiere Pro, Adobe Photoshop 2020 – Present

- Created and published short-form reels and long-form gaming/rhythm game videos across personal social media channels, building an audience within a niche gaming community.
- Designed custom profile banners and branding assets for personal and practice accounts across multiple platforms to sharpen graphic design skills.
